

Missing someone  
special this Christmas?

# Light up a Life

Dedicating a light on the  
Herriot Hospice Homecare  
Christmas tree is a unique  
and meaningful way to  
remember them, making  
memories shine on over  
the festive season

# The special memories we have of loved ones never leave us

**Join Herriot Hospice Homecare this Christmas to remember and celebrate the lives of those who are no longer with us, but who will be in our thoughts throughout the festive season.**

When you make a dedication as part of Light up a Life, a light will be illuminated on the Herriot Christmas tree, shining brightly in tribute to your special person.

We'll invite you to see the lights illuminated at a meaningful community event, with carols, readings, refreshments and time to reflect. Join us on:

**Saturday 15th December, St Mary's Church, Thirsk, 4pm**

You'll receive your own special star to hang on your tree at home with a personal message, or to bring to our Light up a Life service and join others in placing a star on the Herriot tree.

When you make a donation as part of your dedication, you'll be helping Herriot Hospice Homecare to be there for more families affected by terminal illness over the festive season.

Your donation could help Herriot Hospice Homecare to support patients in their place of choice, ensuring they can spend Christmas at home surrounded by friends and family.

**If you would like to take part in this meaningful community event, please complete and return the dedication form overleaf, or contact our friendly team on:**
