Director's Report..

Welcome...our new addition

We need your votes..

From our Head of Services

Firstly, can I take this opportunity to wish everyone a happy new year and thank you for your continued support it is very much appreciated.

Well certainly the winter has let us know it's here!

We have been very busy and our HCA's have done an outstanding job getting to all the patients.

I must congratulate each and every one of them as they have managed to reach every patient in such adverse conditions we have had HCA's dig their way to patients, trek to patients and some have even been driven to patient's homes in farm vehicles.

I attended my first Herriot Dinner this year and enjoyed it immensely, I thought the food was excellent and our after dinner speaker, Jim Wight was extremely entertaining, the auction was well

received and lots of interesting prizes were won.

The New Year will see an expansion of HCA staff as I employed a further 7 members of the team. They are currently undertaking their training and I am delighted with their progress. A number of staff that have been with Herriot for some time have helped with the recruitment and are now assisting with the training in the community. I am very grateful to the staff as they are fully aware of the standards expected and can offer their expertise to new staff. I expect all the staff to be fully trained and undertaking duties in the New Year.

I have also been fortunate to have Anna O'Connell acupuncturist agree to join our Therapy team and she will be ready to take referrals as soon as the paperwork is complete.

Whilst talking of therapy, 3 of our therapists have sought training to now be in a position to offer reflexology to our patients and carers and this is to start in January. The information will be incorporated in our new Therapy leaflet that is ready for distribution.

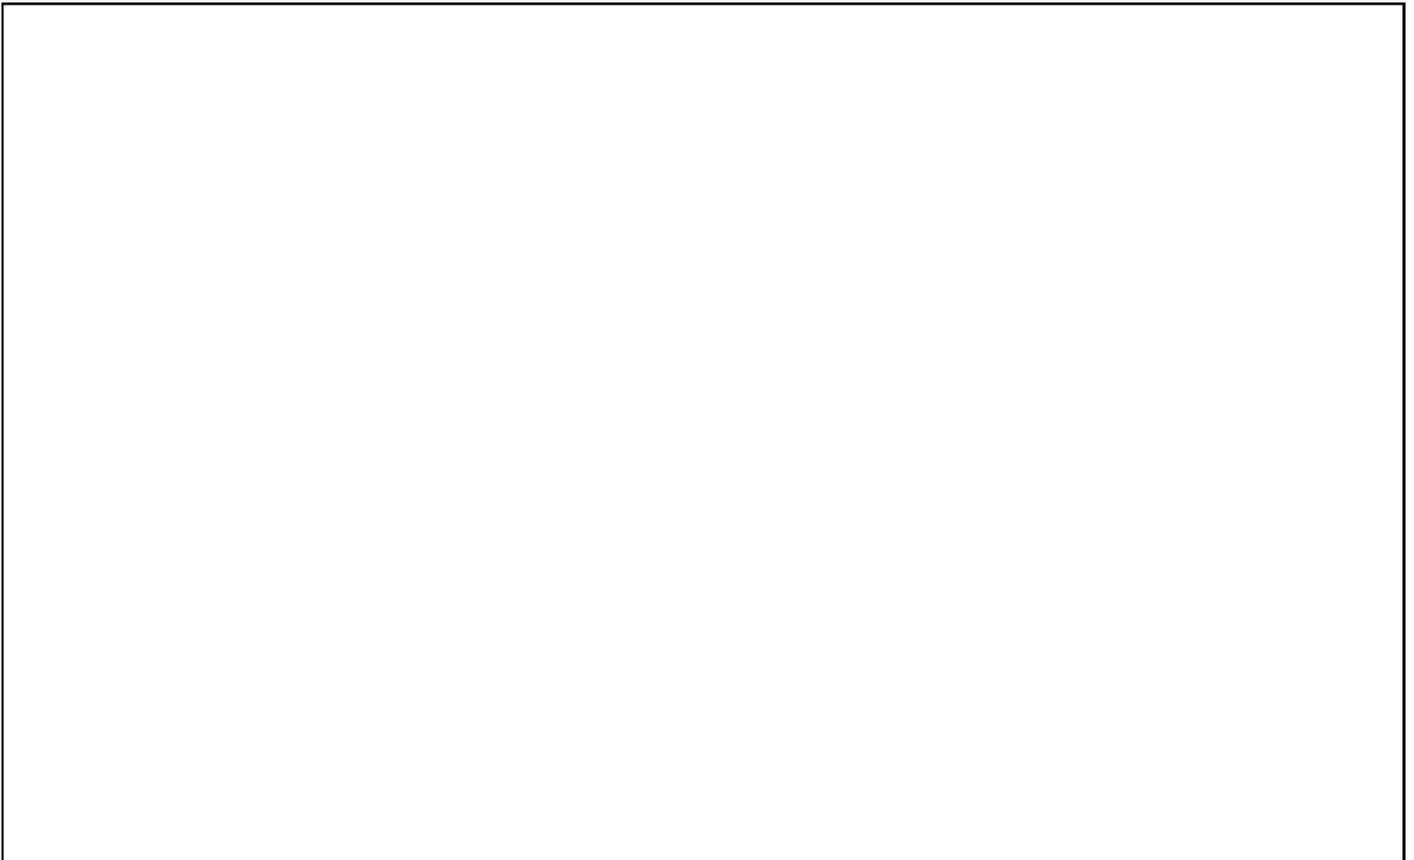

To conclude I wish to thank everybody for the help and support they offer the Charity , without you all we could not be who we are today!!

Thank you.
